## Message from the Principal

Welcome back to Term 4. It was wonderful to see the students and staff at the school assembly Monday morning, eager and ready to learn.

Last Term I was a Principal in Residence for the Leadership Pathways team supporting newly appointed Principals, Deputy Principals and Head Teachers. I enjoyed my time, have learned some different ways of looking at schools, but missed Terrigal High School, the students, the staff and the community. Thank you to Mrs Bennett and Ms Paul who relieved as Principal and Deputy Principal during my absence.

Term 4 is always busy with final assessments, presentations and reward excursions. The HSC examinations began on Thursday and initial feedback from students about the English paper was "it challenged us, but was a good paper".

-Tania Turik.
