

TERRIGAL TALK - TERM 1 - WEEK 2

Email: terrigan-h.school@det.nsw.edu.au

Website: <https://terrigan-h.schools.nsw.gov.au>

WELCOME BACK FOR 2020

We are excited about the plans we have for students and the school community. Our 2020 focus areas are: Reading, Numeracy, making learning visible, relationships and celebrations and high impact professional learning for staff. Visible learning supports students to know how they are going and what they need to do to improve. Formal and informal feedback will support student learning.

Our thoughts are with the families who have been impacted by the fires and suffered losses. The events associated with the fires impact the whole community, whether they are directly affected or not. On yesterday's assembly I reminded students that Year Advisers, Deputy Principals, Principal and school counsellors are available if they would like to discuss events with them.

This year the Deputy Principals are delivering birthday cards on behalf of the school to our students. January birthdays would have received their card in the mailbox during the holidays. Happy birthday.

This year we welcome new staff within the school;

Emma Bancroft – English
Sarah Walton – English
Amanda Bruce – HSIE
Tony Baxter – Maths

Alison Brand – Science
Kerrie Fletcher – Science
Esther Thompson – Multicat

CALENDAR DATES

What's Happening in Week 2
