PART 2

NAPLAN

This year students in Year 7 and 9 will complete the assessments online. The information collected from these assessments are used by the school to identify trends, set directions and analyse individual student progress. The literacy team uses the transcripts of the writing tasks to identify students needing extra help before they sit the minimum standards tests.

Learning focus

As a school we actively consider student work samples, NAPLAN and HSC outcomes and student feedback to inform learning improvements catering to the needs of all students. Our mantra is every student can learn and improve.

Weds May 15	Yr 7 & Yr 9 NAPLAN Reading & Writing

Evacuation Practice

Each Term we practice our emergency procedures. Yesterday we had a successful evacuation practice and students and staff assembled on the oval. Parents need to be aware that during our drills the school phones are not answered. In the unlikely event of an emergency situation, the school FaceBook page will be updated with relevant information.
