

TERRIGAL TALK WEEK 3 TERM 1

Email: terrigan-h.school@det.nsw.edu.au

Website: <https://terrigan-h.schools.nsw.gov.au>

New Timetables

Due to a change in enrolments in particular Year groups a new timetable will commence from Monday 11 February. Overall the number of students has increased from last year, necessitating the changes.

Swimming Carnival

It was wonderful to see a large number of students in attendance at the school swimming carnival. It was a great day and the salmon run was once again a huge hit. See the school's Facebook page for images from the carnival.

Whole School Assemblies

This year we have structured the bell times to ensure there is sufficient time for whole school assemblies each fortnight and Year group assemblies in the alternate week. The assembly structure has been well received by the students and staff, as it is an opportunity to celebrate success and communicate expectations and organisational details. At last week's assembly I focused on Online Safety Day (Tuesday 5 February) and particularly the values for students to think about in the online environment.

Parent contact with the school and teachers

Parents are reminded the most effective way to communicate with individual teachers is via phone call to the school (4384 4677) or email to the school email address (Terrigan-h.school@det.nsw.edu.au). Senior classes commence from 8am and teachers are timetabled until 4pm in some cases. We request you make an appointment before arriving at the school. Once you have arrived at the school, please proceed to the front office, where you will be signed and the teacher called to meet you.
