National day of action against bullying

Today is the national day of action against bullying and all students in Years 7 to 10 are learning the importance of being an upstander rather than a bystander.

Upstanders:

- Don't join in the bullying
- Support the victim in private—show your concern and offer kindness
- Stand with the victim and say something
- Mobilize others to join in and stand up to the bully
- Befriend the victim and reach out to him/her in friendship
- Alert an adult

Japanese students visit THS

This week we have welcomed a Japanese touring group from Mito Keimei. The visitors have had daily English lessons and spent time with buddies during break times and in the classroom. Next week the students and their THS buddies will go to the Reptile Park. Thank you Ms Bond and Ms Giuliani for your organisation of the visit.
