Harmony Day

Thursday was Harmony day. Harmony day is a reminder for us all to show respect, compassion and embrace diversity.

At this time we acknowledge the hurt felt by our colleagues across the water in New Zealand. Students and teachers at Terrigan High school are reminded it is OK to feel sad about an event that is splashed across our news.

Within our school we have Wellbeing staff including the Head Teacher, Andy Yates, Year Advisers and a School Counsellor 5 days a week.

Notifications Late Arrivals

A new notification system is in place where parents will be notified via SMS if their child arrives late to school. Any student that signs in after 9am and before 10:30am without a note explaining why they are late, will be marked as "Unexplained Partial Absence" and with this SMS message will be generated. Similar to the absentee SMS notification, you have the ability to respond to SMS with an explanation, or you may phone the school office on 43844677.
